

The logo consists of the letters 'L', 'O', 'T', and 'I' in a bold, sans-serif font. The 'O' is stylized with a vertical bar extending downwards from its center. The letters are rendered in a dark grey color with a subtle 3D effect, appearing to float above a light grey circular background. The background features a large, faint watermark of the same logo.

PRIVACY POLICY

DEAR USER OF THE LOTI BY TENSAI WEBSITE,

LOTI BY TENSAI is committed to protecting the personal data entrusted to it, establishing with it a duty of information and a commitment to transparency with regard to compliance with current legislation on data protection.

Consequently, all information of a personal nature is treated and protected with all due diligence, and always in accordance with the applicable law, namely EU Regulation 2016/679, General Regulation on Data Protection (hereinafter RGPD).

The website “www.lotipt” aims at the institutional communication of LOTI BY TENSAI .

When using our services and browsing our website, you entrust us with your information:

Thus, and to help you understand what data we collect, what motivates us to collect it and what we do with your data, we reflect our conduct in this Privacy Policy which, from now on, we ask you to read carefully.

This Privacy Policy explains the context of data processing to be carried out by LOTI BY TENSAI , for what purposes we may process your personal data, how we treat them, to whom we can disclose them, where they can be transferred or where they can be accessed and which your rights.

LOTI BY TENSAI / TENSAI INDÚSTRIA S.A., will process your personal data (also referred to in this document as “information”) in accordance with the purposes described below.

LOTI BY TENSAI / TENSAI INDÚSTRIA S.A are responsible for the processing of personal data.

GENERAL REGULATION ON DATA PROTECTION:

The new RGPD sets out the rules concerning the processing, by a person, a company or an organization, of personal data relating to persons in the European Union (EU).

The RGPD protects personal data regardless of the technology used to process such data, the protection is technology-neutral, and applies to both automated and manual processing, provided that the data is organized according to pre-defined criteria (eg by alphabetical order). It is also irrelevant how the data are stored, in a computer system, through video surveillance, or on paper; in all these cases, personal data are subject to the protection requirements set out in the RGPD.
